

SPRING
TOWER

- **RATCHATHEWI'S NEW SPRING**

- Harnessing the energy of an **up-and-coming district**, Spring Tower rises up above the Ratchathewi skyline, redefining the professional world. Located on the corner of Phayathai and Petchburi Rd., Spring Tower lies at the future transportation hub where the BTS and MRT Orange lines intersect.

- A 27-story office tower designed to **LEED Gold** certification rating and consultation with industry experts, Spring Tower offers **flexibility and productivity maximization** with efficient floor plans, scalable spaces from 100 sqm. to multi connecting floors, and smart building technology with sensing and actuation systems per tenant. Combined with spaces for socialisation and relaxation and employees' value, Spring Tower offers a **workplace par excellence**.

SPRING TOWER IS A PROPERTY OF ASPIRATION ONE CO.,LTD.

Aspiration One Co., Ltd. is formed by the collaboration of three partnerships;
